The M Club/Rodman Golf

Leonard Rodman loved the University of Maryland.

Leonard was involved in an enormous amount of philanthropic work in the community over the years, but he especially appreciated the University of Maryland. Leonard was given an athletic scholarship in boxing that allowed him to graduate from the University in 1943 with a degree in pharmacy.

For over three decades, Leonard made the Rodman Celebrity Golf Tournament a successful and memorable fund-raising event.

Over \$1 million has been raised through this wonderful event. With Leonard's support, it has become the #1 fundraising event for the M Club Foundation.

Leonard's legacy of community service and passion for helping student athletes at the University of Maryland will now continue as the Rodman Memorial Golf Tournament.

Your continued participation and contributions in Leonard's memory through this annual event strengthens and enriches the University of Maryland Athletic programs.

I am proud to honor my father's memory with this wonderful event. I hope this year's will be our most successful ever!
